The Governor will probably spend part of his vacation in Washington, but it is expressly stated that he will not take a hand in the distribution of Kentucky patronage. He has endorsed Yerkes and Collier, and will be satisfied if he gets that much recognition."

Swift Champ and Kirtley Jameson, of THE NEWS, had a thrilling experience Sunday afternoon at Monterey. While they were speeding down hill the front tire came off Swift's wheel, stopping it instantly, and throwing him lengthwise across the pike. Before he could arise, Kirtley and his wheel, coming like the wind, passed over Swift's body, rendering him unconscious for a few moments. The fall also threw Kirtley about ten feet, but both riders luckily escaped with a few bruises.

The G. A. R. Meeting.

THE fifteenth annual meeting of the Kentucky G. A. R. began yesterday at Lexington, with a large number of veterans in attendance. The parade formed at two o'clock and marched to the Chautauqua grounds where Col. W. C. P. Breckinridge, an ex-Confederate, delivered the address of welcome, and Gov. Bradley made the response. A company of State guards, the State College cadets and the Sons of Veterans marched to the grounds with the veterans. A notable feature of the occasion was the brotherly meeting of the Confederate Veterans and the G. A. R. veterans, the latter having invited the former to participate in the reunion, the ex-Confederates having invited many prominent Federal soldiers to their reunions of late years.

The John Brown Post, No. 68, and the Woman's Relief Corps, No. 15, both colored organizations, of this city attended the reunion.

The Mexican War veterans will hold their annual reunion to-morrow at Cynthiana and will be royally entertained by the Maiden City people.

"DR. MILES,

Through His Nerve Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nerve, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nerve is a benefactor to thousands."

A. C. LEHMAN,
Editor and proprietor of DER LANDSMAN.
